

## CHARLOTTE MILL MEN TO TESTIFY

Government Rests Its Case and Evidence for Accused Will Be Heard.

### OPERATIVES IN THE NORTH

Hibbert and Golden, of Fall River, Say Plenty of Idle Workers Are to Be Found There.

GREENSBORO, N. C., March 4.—When District Attorney Holton at 4 o'clock this afternoon rested the case of the government in the penalty suit against E. A. Smith and Sumner Sargent, the Charlotte mill men, charged with violating the Immigration act, there was not the slightest intimation of a motion to non-suit by counsel for the defendants, but instead they called their first witness.

Attorneys for the mill men say they will fight the case out before the jury, and are confident of victory. There will probably be fifty or more witnesses introduced by the defendants, and most of the number, it is stated, will testify as to a great scarcity of work in the mills in the South. Sumner Sargent, one of the defendants, testified today, and said that in the mills over which he has control there was a lack of fifteen per cent. enough labor to operate his mills last year.

### Idle Operatives There.

The last witnesses for the government this morning were Albert Hibbert, of Fall River, Mass., general secretary of the American Textile Union, and John Golden, president of the same organization. They said there were thousands of operatives out of work in New England who would come South if hours were not so long in mills and the scale of wages so low. These operatives would set the idle machinery to work and there would be no necessity for bringing in aliens.

It is said that Governor Glenn, of that State, who commissioned E. M. Costello, the mining defendant, State Immigration agent, may be called upon to testify on behalf of the defendants. It will probably be the middle of next week before the case goes to the jury.

Governor Glenn So Admits Himself to Have Been.

[Special to The Times-Dispatch.] RALEIGH, N. C., March 4.—Governor Glenn, in an address Sunday night before the congregation of Edenton Street Methodist Church, on the "Prohibition North Carolina for Christian Young Men," took occasion to declare that in not advocating legislation for a State election on prohibition when the State Anti-Saloon League was meeting here early in the session of the General Assembly he had acted the coward, and that he regretted very much that he had been overpersuaded by party leaders to have urged him to discourage such a course on the part of the Anti-Saloon League at this time, and he had desired. He had favored prohibition all along, and should have been governed by his own conscience, which had urged him to stand out for prohibition.

L. H. Warner, A. M., Ph. G., M. D., Brooklyn, N. Y. In a paper entitled "The Treatment of Gout, Uric Acid Diathesis and super-induced Goutitis in the cases of two idiosyncratic patients," gives full clinical notes of these interesting cases, and in a lecture before the recent meeting of the Alabama Medical Association showed stereoscopic views of the blood and urine of these patients in different stages of improvement. He says: "My former good results from the use of BUFFALO LITHIA WATER in cases of rheumatism due to uric acid intoxication led me to suggest this agent to my patients. The use of nutritious foods was resorted to and a full half gallon of BUFFALO LITHIA WATER per day was taken. I was more than surprised at the amount of uric acid eliminated with each urination, and three weeks from the beginning of treatment not a trace of the former cystitis existed. BUFFALO LITHIA WATER as the only medium in four months with the use of 20,000 red cells and a normal count of white cells, while the urine appears without any pathological factors. These cases fully demonstrate the BUFFALO LITHIA WATER as a valuable therapeutic agent in the treatment of Gout."

## SPEEDY TRIAL FOR TOM WALKER

Negro Who Shot Down Three Policemen Still Held in Raleigh.

[Special to The Times-Dispatch.] RALEIGH, N. C., March 4.—The negro, Tom Walker, who was arrested Saturday night at Dunn, Harnett county, for shooting down three policemen in Fayetteville while the officers were raiding his place as a "blind tiger," was brought here Sunday noon and committed to the penitentiary for safekeeping. He says that he has no regrets for the crime. He will be kept in the penitentiary for safekeeping until arrangements are made for the trial, which is to be just as speedy as possible.

Governor Glenn said this morning that he is much gratified at the course the people of Fayetteville have pursued in not trying to prevent the bringing of the prisoner to Raleigh, and he feels sure there will be no interference now with the due process of law. It is his desire to bring the negro to justice as quickly as possible. To this end he says he is ready and anxious to call a special term of Superior Court whenever the Fayetteville authorities desire it for the trial of Walker.

### Gillispie—Word.

[Special to The Times-Dispatch.] ENONVILLE, Va., March 4.—A quiet but pretty marriage was solemnized at the home of Mr. M. M. Word to-day at high noon, when Miss Effie Word became the bride of Mr. G. Emmett Gillispie, son of the late James Gillispie, Rev. Charles M. Barrett, pastor of Buckingham Presbyterian Church, officiating. The parlor was beautifully decorated with evergreens, an arch being formed of running cedar in the center of the room, from which a large bell was suspended. Just before the ceremony the curtains were drawn and candles lighted, making a pretty effective scene. The bride and groom entered the parlor to the strains of Lohengrin's wedding march, which was rendered by Miss Annie J. Spencer. The bride wore a going-away gown of navy blue tulle, with hat and gloves to match. Miss Louise Word, maid of honor, entered with Mr. Louis Gillispie, who acted as best man. Only a few friends were present on account of the recent death of the groom's father.

The bridal party, consisting of Messrs. D. M. Word, Stuart and Louis Gillispie, Henry, David, Jim and John Word, Herman Spencer and Dancy McCraw; Misses Louise Word, Annie Spencer, Hannah Martin and Pearl Steger, accompanied the bride and groom to the train, where they took the afternoon train for Richmond. After spending several days here they expect to leave for Washington, where Mr. Gillispie will engage in business.

The happy couple entered the train amid showers of rice. Miss Effie will be greatly missed by her many friends, who tender her wishes for a long life and much happiness.

Upon the arrival of Mr. Bryce in Washington he was waited upon by Senator John W. Daniel and Dr. Thomas Nelson Page and urged to attend an event in the history of England and America. This invitation was supplemented by a personal letter from Captain W. Gordon McCabe, of this city, a long-time friend of the ambassador. Last night Captain McCabe received a reply expressing the interest of Mr. Bryce in the occasion and indicating that he will be pleased to attend and make an address. ## NOTED EVANGELIST PREACHES AT SEVENTH STREET CHURCH

Evangelistic services are being held every night this week at the Seventh Street Christian Church, the pastor, Rev. J. J. Haley being assisted by Rev. James Small, a noted evangelist. A large audience attended the services last night. Mr. Small preached on the subject, "The Cost of Human Freedom." He argued that freedom and blessings come only by suffering, and that liberty is conformity to right laws. Therefore harmony to civil and spiritual law is freedom. Sin, he declared, is the essential bondage and enslavement; there is no slavery like the slavery of sin, and it is not by theology, but "humanology" that men are best reached. When Christ makes a man free, the man that is free of his life in nobler service, being redeemed from the bondage of sin and the grave. The singing at these services is particularly bright, attractive and devotional. Mr. J. J. Haley, the pastor, the leader, has a rich, well-modulated baritone voice, and sings spiritual solos as well as directs the large chorus choir.

Among the visiting preachers present last night were Rev. H. P. Atkins, Rev. G. H. Spooner, and Rev. C. O. Woodward.

The subject of the discourse to-night will be, "The Dying Thief; How He Was Saved."

REV. JAMES SMALL.

## HOWELL GETS CONTRACT FOR RICHMOND BUILDING

Work Will Begin Without Delay and Structure Will be Ready for Occupancy by Time Exposition Opens in April.

The subcommittee of the Council Committee on Grounds and Buildings, consisting of Aldermen Robert Howell, George E. Byrd and Councilman T. Francis Green, yesterday awarded the contract for the construction of the Richmond building at the Jamestown Exposition to Charles K. Howell, of this city. The building is to be of frame or steel, and will cost when complete about \$100,000. The structure will be of Colonial type of one full story and a second story with dormer windows, giving the effect of a two-story building. It is said to be a fact that the Richmond building will cover more frontage and make a more imposing appearance than the majority of the State buildings at the exposition. It will present a most attractive appearance, and will be one of which the city may be justly proud.

The following architects competed for the building on their plans therefore: C. K. Howell, Dimmock & Lee, W. T. West and Solank & Skidmore.

Work on the building will begin without delay, and there is good prospect that it will be ready for occupancy by the time the exposition begins in April.

Eddy, in an effort to stop Glover's suit, has sent Rev. L. C. Tomlinson with an offer of \$250,000 for that purpose, he to make no objection to any will his mother may make. Mr. Glover says: "I have received no such offer, and could consider no such offer if it were made."

Judge Bennett, local counsel for Glover, said: "This suit was not brought by Mr. Glover for money or for the purpose of obtaining any money from Mrs. Eddy through such means, but honestly and conscientiously for the protection of Mrs. Eddy and her property."

Mr. Tomlinson was here in January, when he spent some time here for purposes which have not been made public.

WASHINGTON, D. C., March 4.—Considerable improvement was shown to-day in the condition of Archie Roosevelt, the third son of the President, who has been ill since last Friday with an attack of diphtheria.

Dr. Rixey, upon leaving the White House to-night, said:

"Archie is getting along nicely. His condition is not serious, and there is no reason for alarm. The other children have been isolated as a precautionary measure, and I do not believe there is the slightest danger of them contracting the disease."
